

Photographic Policy

The following principles outline the club's policy for photographic use involving our young cricketers:

Please note: Morpeth Cricket Club understands that there are circumstances under which a parent would not wish their child to be photographed. Whilst Morpeth Cricket Club will do all that it can to ensure the safety of children during photographed events, it is the responsibility of the parent concerned to ensure that if their child is not to be photographed and partakes in an activity and is by the nature of the activity inadvertently photographed or filmed, Morpeth Cricket Club cannot be held responsible.

- Morpeth Cricket Club / Northumberland Cricket Board recognises the need to ensure the welfare and safety of all Young People in Cricket. As part of our commitment to ensure the safety of Young People we will not permit photographs, video images or other images of Young People to be taken or used without the consent of the Parents / Guardian/ Carers.
- Morpeth Cricket Club will take steps to ensure these images are used solely for the purposes they are intended, which is the promotion and celebration of the activities of Morpeth Cricket Club.
- Morpeth Cricket Club follows the guidance issued in 'Safe Hands – Welfare of Young People in Cricket' on the use of images of Young People. This policy is available on our website.
- If you become aware that these images are being used inappropriately, you should inform the Club's Welfare Officer (Dai Richards / Bob Biggs) immediately.
- If photographs e.g. team or action shots, are submitted to the Press or published on our website, www.morpethcc.co.uk, or in our handbook, individuals will not ordinarily be identified. Where a child or young person is identified it will only be with the explicit consent of parents.
